

MultiSift
One Frame
Infinite Configurations

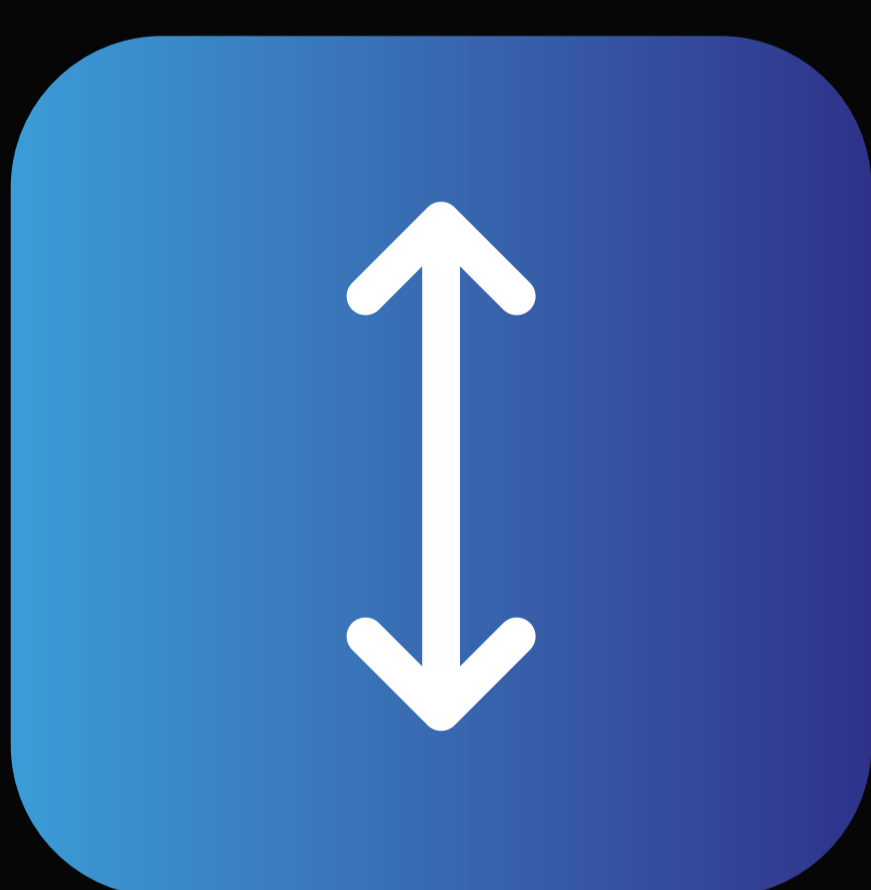

One Frame, Infinite Configurations.

+7-9% MORE SIEVING AREA

Get **7-9%** more sieving area compared to standard frames – more product with the same machine.

MODULAR HEIGHT 50-110 mm

A single PU body with multiple adjustment plates covers the full **50-110 mm** height range.

600+ CONFIGURATIONS

Over **600 configuration** options (heights x inlet layouts x body variants) from one smart design.

HYGIENIC PU BODY

Wood-free, smooth **PU surfaces** are easier to clean and avoid hygiene risks.
